Under the Lightning Fast Program Federal Pacific Offers the Fastest Lead Times in the Transformer Industry. Ship Dates Guaranteed!

- **Engineered to Order 600-Volt Class Transformers
15 kVA - 225 kVA —
1 Week (Lightning Fast)**
- **Engineered to Order 600-Volt Class Transformers
300 kVA - 500 kVA —
2 Weeks (Lightning Fast)**
- **Engineered to Order 600-Volt Class Transformers
750 kVA and Up —
2-3 Weeks (Lightning Fast)**

- Lightning Fast must be requested at time of quotation for all engineered-to-order transformers.
- Guaranteed ship date time period begins when the order is received by Federal Pacific and applies to standard business weeks.
- Additional charges shall apply

Transformers not shown are generally available within 1-2 business days through Callas Kingsley

Call Callas Kingsley at 630-595-7887

Phone: 630-595-7887 • Fax: 630-595-6922 • 845 Lively Road, Wood Dale, IL 60191 • www.ckelectricalsales.com

Federal Pacific Also Offers...

Low Voltage Transformers Engineered-To-Order

As one of the first major transformer manufacturers to design and build non-standard low voltage transformers, Federal Pacific can provide your customers with their not so off-the-shelf solutions, quickly and cost effectively. Ratings offered up to 2000 kVA with primary and secondary voltage ratings falling within the 600 V category. Contact Callas Kingsley for more information.

Medium Voltage Transformers

Federal Pacific offers highly configured dry-type medium voltage transformer solutions ranging from 15kVA thru 10,000kVA in voltage ratings of 2.5kV through 25kV. Optional construction features include, Vacuum Pressure Impregnation (VPI), outdoor enclosures, fan cooling, close coupling to high voltage and low voltage gear as well as many others. Contact Federal Pacific for more information: 276-669-4084.

Air Insulated Switchgear

Federal Pacific has over 26,000 switchgear assemblies now energized and reliably distributing power. We offer ideal solutions for your C&I and Utility applications with ratings ranging from 15kV to 38kV in Pad-mounted and Metal-Enclosed designs. Contact Federal Pacific for more information: 276-669-4084.
